## Active

Commissions and Bonuses are generated from your personally enrolled Members, Free Account holders and from your down line organization that are purchasing and using Swiss Gold Global products and services.

To qualify to receive a commission or bonus as a Swiss Gold Global Independent Affiliate you must be deemed as ACTIVE.

### THERE ARE TWO DEFINITIONS OF ACTIVE:

#### Weekly:

An Independent Affiliate is considered Active for a specific week if they have 500 PSR (Personal Shared Revenue) or a 50 PQV Subscription within five (5) consecutive weeks (i.e., within the current week and previous four (4) weeks. The current week meaning the weekly commission period being processed.)

#### Monthly:

An Independent Affiliate is considered Active for a specific month if they have 500 PSR or a 50 PQV Subscription within the current month. (The current month meaning the monthly commission period being processed.)

## Inactive Status

If an Independent Affiliate has a paid rank and NOT ACTIVE for three (3) consecutive months, the Independent Affiliate is to be flagged as an “deactivated affiliate” however the genealogy of the Affiliates organization will be maintained.

The “deactivated affiliate” flag may be removed by contacting Member Services allowing the Affiliate qualify as an Active rank of Affiliate or above.

If an Independent Affiliate is flagged as “deactivated affiliate” for a period of twelve (12) consecutive months, the following will occur:

- The Independent Affiliate account is suspended.
- The Independent Affiliate is moved out of both the Enroller and Placement Trees. Any downline they have will roll up to the next upline Independent Affiliate not flagged as an Inactive Independent Affiliate.
- They will lose access to their back office.
- They will lose access to their replicated website.

## Achieved Rank

Independent Affiliate (Rank-1) is the default rank an Independent Affiliate receives at the time of signup.

The specific Rank Achievement requirements and Rank Maintenance requirements are presented in the “Plan Summary by Rank” section of this document.

Rank achievements are determined during the Monthly compensation run.

Rank achievements are effective as of the beginning of the Month (*i.e.*, *Commission Period*) that the requirements were met. *Example: If an Independent Affiliate meets the requirements to advance to Team Leader (Rank-3) on Thursday 21-Feb-2013 at 4:32 PM, the rank achievement to Team Leader is effective as of the beginning of the Monthly commission period Friday 01-Feb-2013 (i.e., at 12:00 AM).*

An Independent Affiliate may advance more than one rank in a given period.

If an Independent Affiliate paid rank is less than their achieved rank for twelve (12) consecutive months, the Independent Affiliate’s Achieved Rank is demoted to highest paid rank obtained during that twelve (12) month period.

The Independent Affiliate can then advance again in rank by meeting the normal Rank Achievement requirements.

## Paid Rank

The rank at which an Independent Affiliate is paid within a period is called the "Paid Rank".

Each of the ranks listed in the table above are available as paid ranks.

An Independent Affiliate's paid rank is determined on a 'Monthly' basis.

The Monthly paid rank is used for determining the qualifications for Incentives.

An Independent Affiliate's paid rank may be lower than their Achieved Rank in a given period if they do not meet the maintenance requirements for their Achieved Rank but do meet the maintenance requirements for a lower rank.

## Enroller/Sponsor

An existing Independent Affiliate of any rank who first explains the business opportunity to a potential new Independent Affiliate and helps them enroll.

## Placement Sponsor

An Independent Affiliate of any rank who is immediately upline from a new or existing Independent Affiliate, and is generally responsible for their day-to-day coaching, encouragement and assistance.

**The Enroller and Placement Sponsor can be the same person ...  
but doesn't have to be.**

## Enroller / Placement Sponsor Relationship

**You are Jacob's Enroller and also Jacob's Placement Sponsor.**

An Independent Affiliate who achieves the Rank of **Team Leader** can now use placement Sponsor to assist in structuring their organization.

This is done to maximize the support to the new Enrollee and balance your legs to meet **60/40** Rule

**You enroll Jacob**

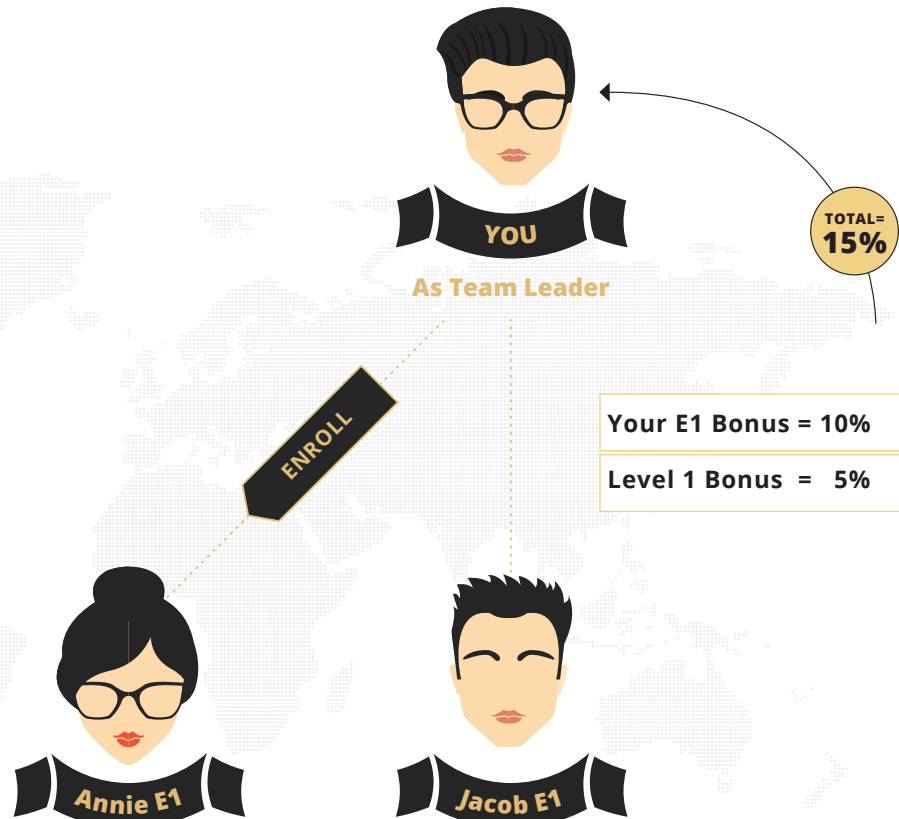

## Enroller / Placement Sponsor Relationship

As a Team Leader you can take advantage of Strategic Placement.

You have the option to place a Direct Enrollee (E1) under yourself at Level 1 ... or ... place your E1 under one of your down line Independent Affiliates for mentoring and training.

You enroll Annie

## Enroller / Placement Sponsor Relationship

**As a Team Leader you can take advantage of Strategic Placement.**

You are Annie's Enroller and Jacob is Annie's Placement Sponsor.

Annie is your E1 on your Level 2.

Jacob is the placement sponsor of Annie and will be paid Uni-level commissions of 5%.

**You place Annie under Jacob**

## Enroller / Placement Sponsor Relationship

Annie is Philip's Enroller and also Philip's Placement Sponsor.

Philip is your E2 on your Level 3.

Describe Annie and Philip's relationship to Jacob, Ex unilevel 1 Annie and unilevel 2 Philip.
